

**FS-3920DN** Black & White Printing Solution

## ECONOMICAL. ECOLOGICAL. ECOSYS PRINTERS.

- Fast output speed of 42 pages per minute
- ECOSYS<sup>®</sup> long life consumables reduce operating costs
- Maximum 2,500 sheet paper capacity with Bulk Feeder option
- Unique KX print driver and advanced network management software
- Productive duplex function saves paper
- Ultra-reliable technology

FS-3920DN

FS-3920DN with standard configuration 15.04"W x 15.51"D x 12.6"H

FS-3920DN with three (3) additional paper drawers 15.04"W x 15.51"D x 25.6"H

FS-3920DN with optional PF-315 high capacity paper feeder (PB-315 mounting kit required) 15.04"W x 29.4" D x 12.6"H

Easy-to-replace toner container

Kyocera Mita America's objective is to manufacture superior products with a low Total Cost of Ownership (TCO) and minimize the impact on the environment. Kyocera's ECOSYS printers incorporate a patented long life drum which is separate from the toner container, eliminating the need to replace the drum when toner is depleted - and reducing landfill waste.

ECOSYS printers provide customers with a printing solution that incorporates long life consumables and one of the lowest costs per print. The operating costs of traditional cartridge-based printers can easily exceed many times the original purchase price during the life of the product. Evaluate your printer costs today. Visit our TCO Tracker at www.kyoceramita.com and start saving.
